

Dear Families of Incoming First Grader,

Below you will find a list of supplies your child will need throughout the school year. We realize it seems like an awful lot of supplies, however, with the prices of school supplies lowest over the summer; we wanted to give you a chance to stock up on some of the much needed supplies throughout the year. We hope you will find it easier to purchase these items when you find them on sale as opposed to full price later in the year.
